Let the library help you have quality family time at home this holiday season. Your little elves will stay happy and busy making holiday decor with Take & Make Crafts, Art To Go, Winter Wonderland Doodling, Disguise a Gingerbread Person, and Holiday Baking. Have a field trip at home with Dinosaur Rocks! We will bring the museum exhibit right into your home with dinosaur fossils that are 10,000 to over 500 MILLION years old. Celebrate the season with an all NEW Miss Jamie on the Farm Winter Sing Along. Registration is required for many of these.

Visit our online calendar for these and all of our events for all ages.

**The Lies You Told**
**The Garden of Promises and Lies**
**Happiness Becomes You**
**Cold Wind**
**The Cousins**
**Perestroika in Paris**

BOOK UP

This December we’re tucking in even tighter to home, but that doesn’t mean you have to miss what you love best about the library - books, movies, music. Library staff are happy and ready to assist you in selecting materials based on your preferences. We can even arrange a pick up time for Grab & Go. Our Book Up service provides you the opportunity to have materials selected for you so that you can read great books long into the cold winter nights. Click here to get started in receiving your very own “personalized” library service.

VIRTUAL MEETING ROOMS

Our new Virtual Meeting Room service connects Wauconda Area Library non-profit groups who want to gather and communicate online for civic, cultural, educational and public information meetings. WAL cardholders can now host their own virtual meetings using the Library’s premium Zoom account. Reserve your Virtual Meeting Room at: https://www.wauclib.org/virtual-meeting-room-service
