Giant Items (\$50,000 –)

READING PATH AND GARDENS Total Cost: \$282,000

Item: Reading Path leading from front plaza through the pines area, past the wetlands, to the new concert area. Architectural/landscaping design is already finished.

Cost: \$123,000

Item: Butterfly Garden behind the library at the northeast end of the lawn (Reading Path must be completed first). Architectural/landscaping design is already finished.

Cost: \$88,000

Item: Reading/meeting patio near the northern ADA ramp. This patio , equipped with built-in ice/snow melt beneath the pavers, was part of the recent renovation and is mostly finished. It provides a nice place for patrons to enjoy views of the library and the front plaza. Plants will be added in April/May. A dedication plaque would be located prominently at the perimeter of the outer circle of pavers.

Cost: \$50,000

Item: Shade Garden along the Reading Path as it enters the pines area. (Reading Path must be completed first). Architectural/landscaping design is already finished.

Cost: \$21,000
